ABOUT PROGRAM

At Deccan College of Engineering & Technology, we believe in transforming young minds into skilled and confident engineers, and to achieve this, the annual technical fest "Deccan Tech Fest" is organized.

"Deccan Tech Fest – 2023" is a platform where students showcase their extracurricular and technical skills. Students are rewarded with a certificate of excellence for their extraordinary skills and also with a participation certificate. There is no participation fee. Events conducted in "Deccan Tech Fest – 2023" are listed below.

Name of the Event	Event Organizer	Venue
Universal Human Values	Dr. Urooj Masood HOD-Civil	I-Floor
Poster Presentation	Dr. Fatima Azra HOD-EEE	II-Floor
Project Display	Dr. Fatima Azra HOD-EEE	II-Floor
Debate Competition	Dr. Syed Raziuddin HOD-CSE	III-Floor
Web Designing	Dr. Ayesha Ameen HOD-IT	III-Floor
Robotic Competition	Prof. Mohd. Abdul Nayeem HOD-ECE	IV-Floor
Model Making	Dr. S. Tahseen Hussain HOD-SH&M	IV-Floor
Paper Presentation	Dr. J. Dhanraj Pamar HOD-MPED	VI-Floor

ABOUT DCET

Deccan College of Engineering and Technology located at Dar-us-salaam, Hyderabad is a self-financed institution established in the year 1984 by Darussalam Educational Trust under the honorable founder chairman Salaar-e-Millet Janaab Alhaj Sultan Salahuddin Owaisi Sahab, Ex-MP (Hyderabad Lok sabha), and being continued by present chairman Naqeeb-e-Millet, Janab Barrister Asaduddin Owaisi Sahab, MP (Hyderabad Lok sabha). The college is approved by AICTE New Delhi & is affiliated to Osmania University Hyderabad.

Deccan College of Engineering and Technology is committed to achieving and maintaining excellence in Higher Technical Education, Placement, and Research for the benefit of society by providing state-of-the-art equipment to students and faculty to obtain a technologically up-to-date and intellectually inspiring environment of learning, research, and innovation. During the last 39 years, the college has made rapid progress and has developed into one of the foremost engineering colleges in the state of Telangana, offering Bachelor's degrees in eight disciplines, Civil, Mechanical, Production, EEE, ECE, IT, EIE, and CSE. Four postgraduate courses in Electronics, Civil engineering, and Computer science, and also has a Master of Computer Application (MCA).

ABOUT IEDC DCET

The Innovation & Entrepreneurship Development Cell (IEDC) at DCET aims at creating an entrepreneurial ecosystem on the campus and also provides a forum for students to translate an idea into a fundable technology business. The cell also has an objective of equipping the faculty who are interested in and passionate about implementing programs. The cell shall encourage the students to think beyond placements or employment. Many motivating speeches and awareness programs shall be conducted to strengthen the entrepreneurial spirit of the students.

Vision

To cater to the needs of budding entrepreneurs with innovative ideas of societal relevance and there introducing a culture of entrepreneurship inside the campus which strengthens the education system.

Mission

To develop an eco-friendly system with the required infrastructure which will enable students and faculty to innovate & develop their ideas with industrial standards and to seek support from the government, industry, and reputed academic institutions globally and create employment opportunities.

Objectives

To develop entrepreneurship awareness among the students, foster innovation, and create an entrepreneurial culture in the institution. Provide information and guidance to budding entrepreneurs. To improve the managerial capabilities of students.

DGI NDLI CLUB

National Digital Library of India- NDLI (www.ndl.gov.in) is sponsored and mentored by the Ministry of Education, Government of India, through its National Mission on Education through Information and Communication Technology (NMEICT).

DGI NDLI Club (https://club.ndl.iitkgp.ac.in) was started on 27 July 2021 with an aim to conduct events to facilitate students to develop knowledge, skill, and traits beyond the regular curriculum which are essential for their progression in the respective professional domain. The club has more than two thousand members as of now.

NDLI Club Conducts various events like learning-oriented activities, training sessions, workshops, lectures, and competitions on a regular basis, NDLI-Club learning-oriented events can be both online and offline, for students of an institute using contents of NDLI and experts of the institute as well as external to deliver talks or conduct sessions.

DGI NDLI Club conducted a Deccan Tech Fest-22 event for the students on 22 June 2022, in which more than 500+ students from DCET participated and obtained the E-Certificates from NDLI.
