EVENT DESCRIPTION

The Seminar titled 'Career Guidance' is scheduled to be conducted on 20th October, 2022 for students of Bachelor of Electrical & Electronics Engineering (B.E. EEE) III, V and VII Semester 2022-2023 by Mr. S.M.M. Trinath, a faculty of ACE Engineering Academy, a reputed institution for providing structured preparation for attempting competitive examinations to secure jobs in Public Sector Units (PSUs) as well as pursue higher education in India and abroad.

The speaker will address the students of EEE to create awareness in them and the approach for the career opportunities as well as pursuing higher studies in India and abroad through competitive examinations. The Seminar will also highlight what features, benefits and value each of the career and study opportunities hold.

The Seminar will benefit the students greatly to enlighten them with what the future holds for them in the form of either jobs or higher studies both in India and abroad.
