

Deccan College of Engg & Tech

Dar-us-Salam, Hyderabad

Deccan Tech-Fest -2022

Name of the Event: Model Making

Venue: Hall No. 401,

Description of event

Model making is an activity that involves conceptual as well as theoretical knowledge to make learning and retention more profound and strong among engineering students. The students get an array of material to make their astounding models to exhibit their creative and inventive and innovative skills

Event Organizer: Dr. Mohd Ayub Hussain Khan, Professor and Head, Dept. of SHM

NDLI Club Event Representative: Mr. Abdul Rahman

Names of Judges:

Dr. Mohd .Ayub Hussain Khan

Mr. Parwaz Ahmed

Mr. Mukassir

Event Procedure

While we always prefer to see a physical model, virtual or non-traditional models (without mass) are also eligible for entry. Depending on the number of entries in each category, certain similar categories may be combined. All categories may not be awarded prizes, but every model will be judged.

Event Evaluation

- Innovativeness
- Creativity
- Scientific temperament
- Technical feasibility

On the basis of above parameters best of the two models will be awarded first and second positions.
